

"FOR THE LOVE OF FOOD"

Breakfast & lunch menu

*M*aison Mathis pays tribute to the rich heritage of Belgian food culture. Taking inspiration from the best of many European cuisines, it's a place where we treasure & share our culinary legacy, just like our grandmothers did and their grandmothers before them.

Blending understated style with our signature community spirit, we invite everyone to join us in celebrating 'joie de vivre'; the joy of life. Of sharing good times and beautiful things.

From a light breakfast or lunch, to coffee, cocktails or dinner overlooking the Arabian Ranches landscape, Maison Mathis offers a welcoming and honest dining experience for all.

Our Chef Bart Thoelen

Growing up on farms in the Belgian countryside and visiting the local seaside fish markets during family vacations, his passion for quality ingredients began at a young age. In 2003, after building his knowledge in his home country for 10 years, Bart relocated to the south of France. Inspired by local producers he further expanded his culinary repertoire, with a focus on high end Catalan cuisine. In 2010, Bart was awarded his first Michelin star. Barts respect for taste and texture, along with his dedication to sourcing the best quality produce translate into simple yet exceptional dishes and compliment the Maison Mathis ethos of pleasure, simplicity & tradition.
